Client : - Kotak Mahindra Investment Limited

Position: - Credit Analyst - Corporate Structured Products

Grade: - M5/M6

Location: - Mumbai

Job Description:

KMIL - Credit Analyst - Corporate Structured Products

Grade: M5/M6

Location: Mumbai

CSP provides tailor-made solutions to get finance in a way that best fits specific financial needs of customers. These structured products are useful as a complement to the other traditional/vanilla products provided. Structured products have the ability to offer customized exposure, including otherwise hard-to-reach asset classes and subclasses

The key responsibilities of the role will be as follows:

- Transaction due diligence including preparation of transaction notes for acquisition financing, promoter financing, venture debt financing and the likes. Presenting the deal with succinct analysis for effective decision making
- Interacting with various internal and external stakeholders for the successful closure of the deal

- New initiatives and portfolio control
- CA with 5-8 years post qualification experience
- Good communication and presentation skills.
- Analytical and Problem Solving
- Team Orientation and Customer Focus
