About Company:-

About Protean eGov Technologies Limited (formerly NSDL e-Governance Infrastructure Limited)

Protean eGov Technologies Ltd., is one of the key IT enabled service providers engaged in conceptualizing, developing and executing nationally critical and population scale greenfield technology solutions.

The company has extensively collaborated with the government over the last 25 years in creating digital public infrastructure and developing innovative citizen centric e-governance solutions.

The company's core strength lies in not just enabling technology, but also providing the necessary

interventions for ecosystem creation and adoption of new technologies and business models.

In these two-and-a-half decades, the company has created strong e-governance interventions impacting multiple sectors of the Indian economy and touching various aspects of a citizen's life - modernizing

the direct tax infrastructure, providing a tax identity to citizens and corporates (issuance of PAN card), strengthening the old-age social security infrastructure

(National Pension System NPS & Atal Pension Yojna APY), promoting financial inclusion by contributing to the India Stack by enrolling citizens for National Identity and enabling the BFSI sector by

providing Aadhaar-based identity authentication and e-Sign services. Over these years, the company has implemented and managed 18 projects spread across seven ministries and autonomous bodies,

ushering positive change in delivery of public services.

To create a truly inclusive service delivery mechanism Protean has established a pan India network of centres to provide assisted services to the digitally excluded. This Phygital model created by

Protean promotes and enables universal access and financial inclusion in the country without bias.
